by deleting the amendatory language of SECTION 1 and substituting instead the following:

Section_____.

(a) In a criminal case where the victim of any of the offenses listed in subsection (e) was thirteen (13) years of age or younger at the time the offense was committed, the court may order the child's testimony be taken outside the courtroom by means of two-way closed circuit television, hereafter referred to as CCTV. Prior to entering such an order, the trial judge must make a case-specific finding of necessity that:

(1) The particular child involved would be traumatized;

(2) The source of the trauma is not the courtroom generally, but the presence of the defendant; and

(3) The emotional distress suffered by the child would be more than de minimis, such that the child could not reasonably communicate.

(b) If the testimony of a child is ordered to be taken by two-way CCTV, it shall be taken during the judicial proceeding and the following rules shall apply:

(1) Only the prosecuting attorney, the attorney for the defendant, and the judge may question the child.

(2) The operators of CCTV shall make every effort to be unobtrusive.

(3) Only the following persons shall be permitted in the room with the child while the child testifies by CCTV:
